Opportunity for Southern Companies to Tap Business Cooperations with Rafale International

*One-day seminar to provide platform to obtain more information on business opportunities
Rafale Network of Excellence encompasses wide range of industries in Malaysia*

Kuala Lumpur, 3 July 2013 – Rafale International today announced that it will host the Southern edition of the Rafale For Malaysia Seminar – Business Opportunities, in Thistle Hotel, Johor Bahru come this 8 July 2013.

Organised together with SME Corp. Malaysia and Malaysian French Chamber of Commerce and Industry (MFCCI), the seminar is a golden opportunity for companies down south to obtain more information on the collaborations, technology assistance and partnerships, as well as various business opportunities offered by the Rafale group of companies.

Opened to a wide range of industries covering many different high-skilled activities and sectors, the Rafale Business Opportunities seminar is aimed at providing a platform for networking and participants to learn about Rafale International's cooperation perspectives.

The one-day seminar will also include talks by companies who have established successful cooperation with Rafale International. Companies will also have the opportunity to obtain more personalised information from the Rafale team who is at hand to discuss and assist on future cooperations. The Johor seminar is a follow up event to the previous seminar held in January 2013 in Kuala Lumpur for the central region which was attended by more than 120 Malaysian participants.

The seminar marks another step forward of Rafale's commitment to Malaysia. As to-date, Rafale International has collaborated with companies such as Strand Aerospace, MARA institutions, Composites Technology Research Malaysia (CTRM) and its subsidiaries, Zetro

Aerospace, Universiti Kuala Lumpur (UniKL), Universiti Teknologi Mara (UiTM) as well as Malaysian Investment Development Authority (MIDA), Malaysian Industry-Government Group for High Technology (MIGHT), Malaysia External Trade Development Corporation (MATRADE) and SME Corp. Malaysia amongst others.

Attendance at the seminar is by invitation and without charge. Further details of the seminar can be obtained from www.rafalemalaysia.com.

Rafale International is a Joint-venture of companies comprising aerospace leaders Dassault Aviation, Thales and Snecma (Safran Group), which is proposing the Rafale multirole fighter aircraft to the Royal Malaysian Air Force in the frame of the MiG 29 replacement project.

###

About Rafale International
